RE: Terry L. Froney  
DOB: 3/13/1953

September 12, 2022

Dear Mr. Kane:

Mr. Terry L. Froney is under my care.

June 9, 2021 he had stroke and has residual right sided weakness and expressive aphasia. As a result, he is unable to participate in complex decision making.

I recommend his wife manage his affairs.

If additional information is needed do not hesitate to contact me.

Professionally yours,

Victoria E Grady, MD
